

# 2018 Toronto PKD Scientific Conference

September 14 - 15, 2018

Chestnut Residence and Conference Centre  
89 Chestnut Street, Toronto, Ontario M5G 2R1

**Mark  
your calendar!**

Registration fee of **\$150** for nephrologists,  
no registration fee for allied health professionals,  
students or patients.

**Breakfast and lunch included.**

It is recommended that hotel accommodations  
be booked as soon as possible to ensure low  
rates for this event, which will be held at the  
same time as the Toronto International Film  
Festival (TIFF).

## RSVP

To reserve your spot  
please RSVP to **Ji Lee**  
at [Ji.Lee@uhn.ca](mailto:Ji.Lee@uhn.ca)

## Educational Objectives

1

Highlight recent advances of basic  
and clinical research in ADPKD

2

Illustrate how this knowledge is being translated into  
improving risk prognostication and novel therapeutics  
in ADPKD

3

Provide practical guidance on risk assessment and  
clinical management of ADPKD through interactive  
case studies

## Agenda

### Day 1

8:00 am to 1:30 pm

#### Overview of PKD Pathobiology

Dr. Terry Watnick

#### Management of ADPKD in 2018

Dr. Ron Perrone

#### Tolvaptan and Beyond

Dr. Vicente Torres

#### Building partnership with patients to enhance clinical care

Dr. Gavril Herocz and patient partners

#### Minisymposium on "Metabolic syndrome, Obesity, and PKD"

Dr. Jason Fung

Dr. York Pei

Dr. Ravi Retnakaran

Dr. Greg Steinberg

### Day 2

8:00 am to 1:00 pm

#### Risk Assessment by Genetic Testing

Dr. York Pei

#### Total Kidney Volume (TKV) Measurements – Utility and Nuances

Dr. Korosh Khalili

#### Foam sclerotherapy for cystic kidney volume reduction

Dr. Eran Shlomovitz and Dr. Andrea Iliuta

#### Modern Management of ADPKD in UK and Europe

Dr. Albert Ong

#### Experience from the Centre for Innovative Management of PKD (CIMPKD)

Dr. York Pei

#### Interactive Case Presentations with Expert Panel

Dr. Korosh Khalili

Dr. Albert Ong

Dr. York Pei

Dr. Ron Perrone

Dr. Eran Shlomovitz

Dr. Vicente Torres

Dr. Terry Watnick

and patient partners

# Faculty Speakers

## Jason Fung, MD

Clinical Expert on Intermittent Fasting  
Toronto, Ontario, Canada

## Gavril Hercz, MD

Psychonephrologist, Humber River Hospital  
Associate Professor of Medicine, University of Toronto  
Toronto, Ontario, Canada

## Korosh Khalili, MD

Staff Radiologist, Centre for Innovative Management of PKD  
Associate Professor, Department of Medical Imaging  
University Health Network and University of Toronto  
Toronto, Ontario, Canada

## Albert Ong, MD

Professor of Renal Medicine, Head of Academic Nephrology  
Academic Programme Director for Renal Medicine  
University of Sheffield Medical School  
Sheffield, United Kingdom

## York Pei, MD

Director, Centre for Innovative Management of PKD  
Professor, Department of Medicine  
University Health Network and University of Toronto  
Toronto, Ontario, Canada

## Ron Perrone, MD

Director, Clinical and Translational Research Centre  
Professor, Department of Medicine  
Tuft University School of Medicine  
Boston, Massachusetts, USA

## Ravi Retnakaran, MD

Professor, Division of Endocrinology, University of Toronto  
Endocrinologist, Mount Sinai's Leadership Sinai Centre for Diabetes  
Toronto, Ontario, Canada

## Eran Shlomovitz, MD

Staff Radiologist, Centre for Innovative Management of PKD  
Assistant Professor, Department of Medical Imaging  
University Health Network and University of Toronto  
Toronto, Ontario, Canada

## Greg Steinberg, PhD

Professor, Department of Medicine  
McMaster University  
Toronto, Ontario, Canada

## Vicente Torres, MD

Director, Mayo Clinic PKD Translational Research Core Centre  
Professor, Department of Medicine  
Mayo Clinic  
Rochester, Minnesota, USA

## Terry Watnick, MD

Director, Baltimore PKD Research Core Centre  
Associate Professor, Department of Medicine  
University of Maryland  
Baltimore, Maryland, USA
