

Diaper Drive

September 10-September 28

In honor of our Community Helpers theme this month, we are looking for our own ways to give back to the community! There is truly no greater joy than the joy that comes from helping a family or friend in need and there is no better time to learn this lifelong lesson than right now!

Please join us in an effort to help provide clean **diapers** for children in the Natick area whose families are unable to provide for them. Diapers are a basic need for children and yet many families in the area are struggling to provide a sufficient supply for their babies and children. They need our help! Last year's Diaper Drive was so successful and we hope that we surpass last year's total of **1,257** diapers collected!

Mini-Miracles will be collecting diapers of all sizes for the Diaper Project that is being run through *A Place to Turn* in Natick. Opened and partial boxes of diapers as well as single sleeves of diapers **are** accepted. All brands and sizes are welcome but there is a high demand for sizes 5 and 6. All diapers will be distributed to local families in need.

Help your child understand the importance of giving back and providing to those who are less fortunate. Encourage them to ask friends, family members and neighbors to make a donation and celebrate their efforts by explaining how much they are helping others. We will also be incorporating lessons about *giving back* to our community all month long and will have our students assist with the drive in any way possible including counting and sorting the diapers and drawing pictures to include with the donations.

If you would like to donate diapers please drop them in the Diaper Drive box located outside of the MMCC office.
