

2018 ANA-MI Membership Testimonial Campaign

This is one easy way you can help YOUR organization grow, so please take a few minutes and answer the questions below about your ANA-Michigan membership experience. No need to worry about your writing style; we are looking for compelling stories. Therefore, if your submission is selected, we may need to edit your comments for style, length, etc. If we do so, we will provide the edits to you for your approval before publishing them. By providing this testimonial you are agreeing that ANA-Michigan may use your name, photo in our publications, on social media and the ANA-Michigan website.

Submissions are due by April 16th, please email this form directly to nurse@ana-michigan.org. All submissions will go into a drawing for a free conference registration, that includes a one night hotel stay and paid mileage to the annual conference. Thanks for your help!
