Fundraising

The Seattle Public School district funds the director's salary. The district gives no additional funds for the program.

The BHS Performing Arts Programs are funding from ASB funds (Associated Student Body) and Ballard Performing Arts Booster Club funds.

Two completely different pots of money.

ASB Funds

Any fundraiser where the student is doing the selling, the money goes into ASB funds.

These funds go to cover costs of uniforms, sheet music, instrument repair and transportation.

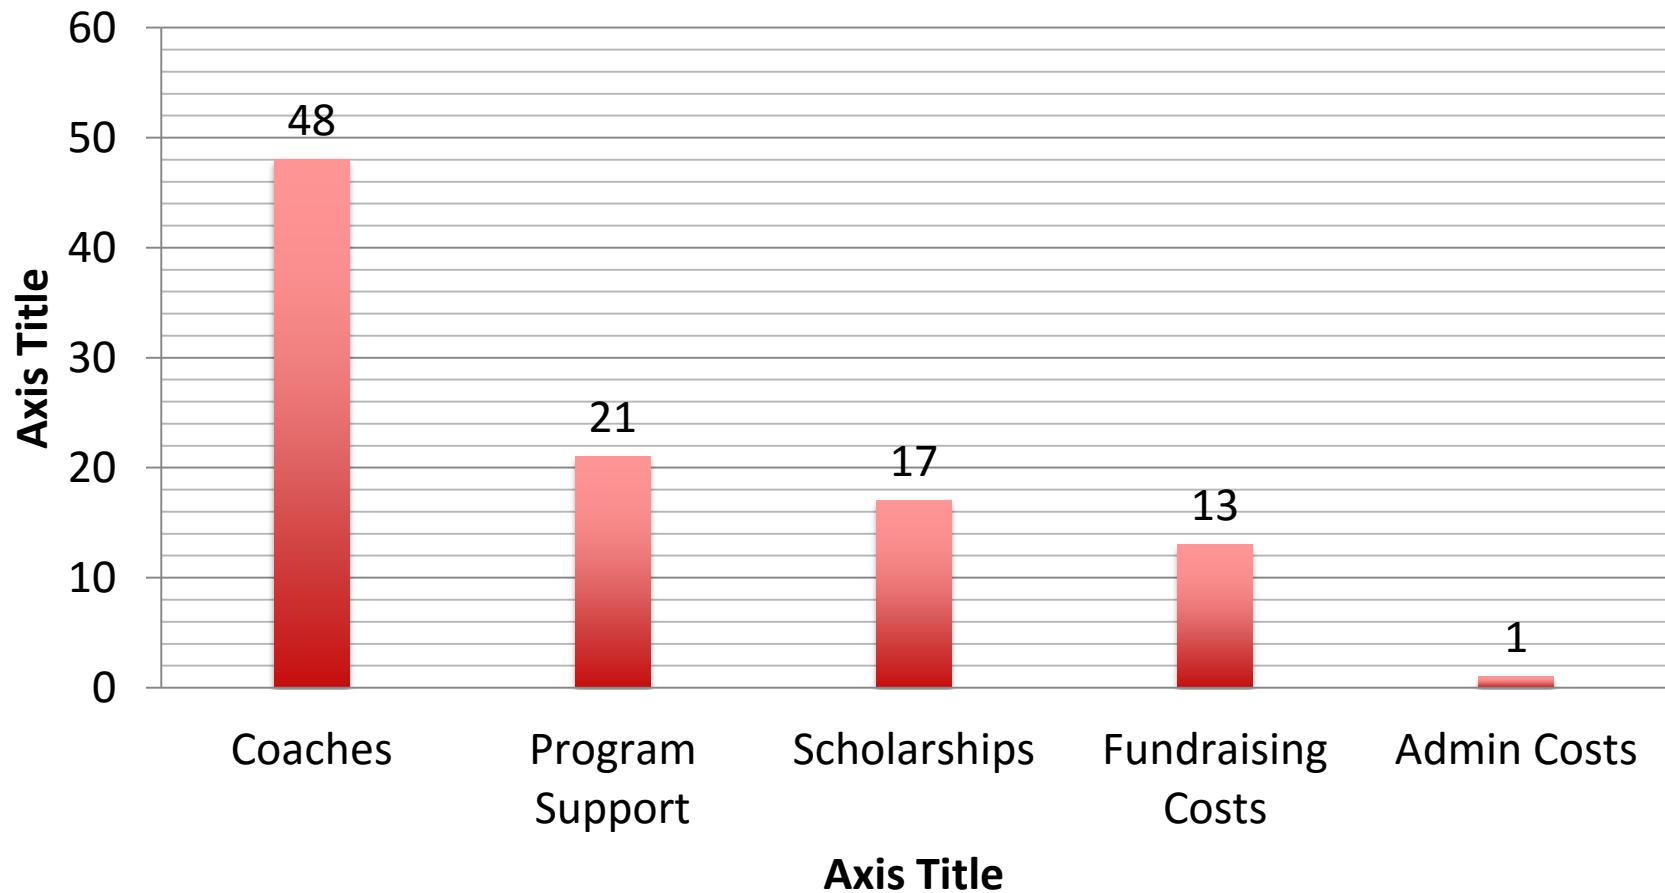

These funds cannot be used to pay for staff, coaching, or scholarships.

BPA Booster Funds

Events must be run primarily by non-students.

CAN pay for coaches and clinicians, scholarships and other support as classroom maintenance, piano tuning, recording fees, awards, fundraising expenses, and administrative costs.
