

*"Empowering Wounded Veterans
...one fairway at a time."*

Donations received contribute to the purchase of equipment, lessons, and golf course access for post 9/11 Wounded Veterans this year.

"A Day of Community Service" provides an opportunity for local restaurants to showcase their menu specialties, including contributions to the After-Golf Buffett.

Vendors also have the opportunity to set up shop on the course and offer samples, menus, coupons, or any other marketing tools to players during the event.

If you would like to take advantage of this incredible marketing opportunity, contact the Tournament Director Martin Zadavec at 202.297.2303 or mzadavec@mcggolf.com.

Northwest Park Golf Course

Opened in 1964 with the longest public access golf layout in the state of Maryland.

Over time, you kept coming back...
and another 9 -holes were built:

And then a covered, heated driving range and a large modern clubhouse; and more and more rounds of golf were played. You may have played your first

High School round of golf here, then you kept coming back. You lined up at the gate, 2 hours before opening, to get that prime tee time, and kept coming back. Then your children went to summer golf camp and learned the game of golf here at Northwest. And now *they* keep coming back.

So now it is time to say... Thank You!

...and celebrate that rich history. You have helped Northwest grow to be...

The Premier Public Golf Facility in the National Capital Area

The golf course conditions are second to none, the clubhouse has been remodeled, a new concept restaurant is open with innovative new food choices, new lesson and Player Development programs are popping up every year along with Jr. Golf Programs and PGA Jr. Golf Leagues, and even, FootGolf.

COME CELEBRATE...

Thank You!

We would like to recognize those who have donated their time and resources to make this fundraising effort possible, by supporting them in the local business community.
