

# High Court Challenge 9-11 October 2018 – Canberra, ACT

## Specific Prayer Points

Based on what was provided by Kathy Clubb and Graham Preston as at 4 October.

- Please pray for much wisdom for the team of lawyers who are representing them. With a Queen's Council now leading the case, their team has grown considerably. They are very grateful for their expertise.
- Pray for discernment for the High Court judges. Pray they may not be swayed by popular opinion and consider the good of the country, and the intentions of our forebears.
- Even though Graham and Kathy do not have to appear, they expect that this case will attract considerable attention. Pray for them as they handle questions from media etc. It will be an intense time so cover them with your faithful prayers.
- Pray for their families back home (Graham has 7 children and Kathy 13).
