

# Florence-Lauderdale Animal Services fact sheet

1. Just under 13,000 interior square feet (12,923) [Current square footage of existing shelter is 3,800]
2. 219 total Kennels [Current number of kennels is only 60!]
3. Dog kennels have an indoor/outdoor space for each dog. The outdoor spaces are fully covered and face out into an expansive courtyard.
4. In addition to the large courtyard, there are other exterior exercise areas for dogs. Double fencing between animal holding areas and the adjacent land will help prevent animal escapes.
5. Large play room for cats that can be viewed from the exterior of the building
6. A puppy room
7. Maternity space for animals that are brought in at the end of pregnancy- a quiet room where they can give birth in peace
8. Education/public outreach/class room space
9. Separated holding/quarantine areas for animal intake
10. Commercial washers/dryers for the cleaning of animal bedding
11. Exam/evaluation areas
12. Large food preparation areas on both adoption and holding sides
13. Large bulk storage area for storage of donated food
14. Specialized HVAC system to minimize moisture problems and odors
15. Extensive plumbing and drainage systems to facilitate daily cleaning and disease control
16. LED lighting throughout
