

# City of San Bernardino

January 25, 2017

Dear Interested Party:

The City of San Bernardino ("City") has received a communication from you expressing interest in the implementation of [Measure O](#), an initiative passed by the residents of the City at the recent election. This initiative seeks to replace the previous ban on marijuana businesses in the City with a regulatory and permitting system. City departments are in the process of integrating the provisions of Measure O into the City's existing Development Code, developing procedures for receiving applications, and identifying provisions that may require interpretation and clarification prior to implementation. The San Bernardino Development Code and Measure O are both complex legal regulatory frameworks and it will require time to properly implement this new law.

The City expects to have an update on its progress in March. Your name and email address, if provided, have been added to a list of interested parties that the City will use to send future updates regarding implementation of Measure O.

Thank you for your patience. In the meantime, for more information you may visit [SBCity.org/MeasureO](#), or should you have further questions, please contact Stephanie Sanchez at [Sanchez\\_Stephanie@SBCity.org](mailto:Sanchez_Stephanie@SBCity.org) or 909-384-7272 x.3343. If, at anytime, you would like to be removed from this email list, please click the SafeUnsubscribe feature at the bottom of this email.

Sincerely,

*Mark Persico*  
Director, Community Development Department  
City of San Bernardino
