HANDS ACROSS CLE

Unity Through Diversity

Hands Across the Lorain-Carnegie Bridge

Main Event: Street Festival

Friday, Sept. 21st | Noon-2 p.m.

All summer long, Hands Across CLE has been bringing together people from throughout the city. Join us for our culminating event on Sept. 21. This street festival will be held on the Lorain-Carnegie Bridge. It will feature entertainment, refreshments and more. We believe that by joining together - from the East Side to the West Side - we can create a stronger and safer CLE by making connections among our diverse neighborhoods, building community among residents and promoting friendships across Cleveland.

Free and open to the public. More info on Eventbrite at <http://bit.ly/2u9hWhv>.
