| 10:15 – 11:15am | “Standing Out from the Crowd”
Presented by: John Lofstock, The Convenience Store Decisions Group and John McCauley, Paragon Solutions
If you’re not exceptional, you’re invisible. Developing a unique brand experience that differentiates you in the market is critical to success. Understanding the needs and desires of your customers and knowing your own strengths is key to developing the right experience to build customer loyalty. What is the signature offering or offerings that will make your brand unique? How can you win business from your competitors? In this presentation, we will look at a variety of successful retailers and see how they found a way to stand out from the crowd. |
| 11:15 – 12:15pm | “Store Layouts & Merchandising to Grow Your Convenience Sales”
Presented by: Hugh Large, The Convenience Guru
This seminar will appeal to all retailers who want to better understand how effective store layouts and merchandising can help to generate significant increases in store sales. Hugh will cover how to improve traffic flow throughout the store, how to generate higher levels of impulse sales and the placements and merchandising of the key convenience categories. |
