

Students are required to read two books over the summer. However, they are encouraged to read more. Please read the required book for your grade level, and then choose a book from the **Battle of the Books** list attached to this paper.

After reading **each** book, students should complete a one page, typed reflection that they will turn in on the **first day of school. This is required.** Students will be expected to complete the AR quiz for the books they read over the summer. The grades will be averaged as one Summative Assessment grade.
