## **Hole Sponsorship**

**Hole Sponsorship: \$150 per hole**

*This is an opportunity to showcase your business and also show your support for the Skowhegan Area Chamber of Commerce. The sign will be put on the tee box of one of the 18 holes, or near the green depending on the hole. If you choose to sponsor a hole please send us this application with the name and contact information of who would have the best logo for your business. What we would need is a PDF or TIF image that we could use to display your company logo on a sign that is approximately 8.5 x 11 inches. If you are also registering a golf team you can just make out one check for both hole sponsorship and registration, but please return this form as well with the contact information.*

### Things to remember:

- Try to find an image that can be enlarged to fit in on a 8.5 x 11 piece of paper that won't get to pixelated
- If golfing, just do one check
- Last year a few businesses were sponsors of the 19th hole which provided additional appetizers to the players— a huge hit for the appreciative players
