B2: Developing and Expulsion and Suspension Policy in Your Early Childhood Setting: Part 1- Preventative Guidance and Using Data to Assess Progress

Progress K1.1 C3, K1.7 C3, K2.13 C2, K2.13 C3

The purpose of this session is to support children, early childhood programs, families and teachers by providing recommendations for preventing and limiting expulsion and suspension practices in early childhood settings. Research indicates that expulsions and suspensions occurs at high rates in preschool settings and are associated with negative educational and life outcomes. We will focus on program-wide policies, procedures, and practices that help program leaders reduce exclusionary discipline practices occurring in the program.
