## UNDERSTANDING “Y”: GENERATIONAL DIFFERENCES IN THE WORKPLACE K6-C2

*Do you sometimes scratch your head and just wonder why different age groups behave so differently? Join us as we try to Understand “Y””. In this course, we will examine questions about generational differences in the workplace. It is important to better understand the needs and differences of various generational age groups so that professionals are best able to communicate and support children. We will discuss the influences of various generational differences as well as the often-mistaken assumptions we have regarding specific age groups. This course is designed to challenge your current beliefs about various age groups and challenge you to think differently about generational differences to best support continuous quality improvement of the professional*
