

# Planning, Implementing, and Evaluating Programs: Prenatal through Grade 3

## About the PIL Blended Program

To expand the opportunities for professional development within the Pennsylvania Inspired Leadership (PIL) Program, a series of blended courses aligned to the Pennsylvania Framework for Leadership is being offered. Each blended course is comprised of a combination of online discussions, study hours, job-embedded actives, a one-day face-to-face meeting, and one or two online synchronous meetings. Facilitators for these courses are practitioners with extensive school administration experience and have completed training in effectively utilizing technology tools to maximize instruction in an online environment. Successful completion of all online and face-to-face requirements for a blended course will provide participants 30 Act 45 PIL hours.
