An Awesome Opportunity! 2017 Fall Workshop Series

The cost of a series is only \$100.

Class can be used towards:

45 hours of ACT 48
CDA or SAPC Renewal
Director Credential Renewal
College Credit (Climb the Career Lattice!)

HACC is offering two ways to participate in our popular workshop series; face-to-face and online from anywhere in the state! Each of these 15 week series can be articulated to college credit. Simply attend all 15 workshops and successfully complete required assessment processes and apply to the college for admission into an early childhood degree or certificate program.

Shown below are the classes offered this fall and how they articulate into the Early Childhood Program at HACC.

Integrating STEM in Early Childhood Education – early childhood elective credit

Fall 2017 Workshop Series At HACC

To register please visit www.pakeys.org: You can use the calendar search method and enter the program start date to find the course. Or, you can use the catalog search method and enter "HACC". This will bring up several HACC courses; choose the Funded Workshop Series Course you are interested in as indicated by the "Key" storefront icon.

Cost: \$100 application fee: Covers the Pa Keys registration fee, cost of the 45 hours of instruction, any textbooks required for the course, and 3 college credits if you are registered as a HACC student.

Please note that this fee is now split into two payments: You will pay the \$25 registration fee on the PA Keys PD Registry using approved payment options and will pay the additional \$75 directly to HACC using check, VISA, Master Card or Discover.

- If you would like to pay by check, please include the form at the bottom of this document.
- If you would like to pay by credit card, please call Melissa on M, W, or Th.

College credit option: For those practitioners not registered at HACC who would like to receive college credit, you can apply at www.hacc.edu. There is no additional application fee. Successful completion of the course requirements must be met.

**For more information on the CDA program -
