**FOR A MARKETING OPPORTUNITY AT NO CHARGE TO YOU, WILL YOUR COMPANY PROVIDE A GOLF DOORPRIZE?**

**Our industry is at the forefront of the revitalization of Rochester, and you are a part of it. Looking to get your company's name in front of some of the fastest growing companies in Rochester, and in the global optics industry?**

**Sponsor the largest events of the year, the Annual Meeting of New York Photonics and/or the Annual Golf Tournament.**

**The Annual Meeting will have over 250 guests and an audience of company leaders from Rochester and around the country ready to celebrate the progress of Photonics in Rochester and learn about the implications of the Photonics Manufacturing Institute for our community and its businesses.**

**We expect to sell out, with increased press attention and coverage of the event due to the recent \$650M federal investment in the Rochester-based Photonics Institute and the recent activity of AIM.**

**Early Sponsors will benefit from media ads and email promotions as well as the advantages of their chosen levels.**
