

Public Benefits of the One Winnetka Project

July 2017 Final Plan	Current Amended Final Plan
1. Public parking spaces in the East Garage.	1. Public parking spaces are within the One Winnetka structure (but to be owned by the Village) and surface parking spaces on East Lot.
2. Public parking spaces in the West Garage.	2. Public surface parking spaces remain on Lincoln Avenue.
3. Relocation of a major water main from Lincoln Avenue to Elm Street due to below grade parking improvements in Lincoln Avenue, which relocation would result in an upgrade to the water main in Elm Street.	3. No longer needed due to elimination of Lincoln Avenue below-grade parking structure. Water main can remain within Lincoln Avenue right-of-way.
4. Streetscape Improvements along both sides of Elm Street and Lincoln Avenue.	4. Continue to provide streetscape improvements along Elm Street and Lincoln Avenue.
5. Green Bay Trail Bikeway connection.	5. No longer provided due to the elimination of West Garage.
