

**From the McLean Development Office**

*"Let us be grateful to people who make us happy; they are the charming gardeners who make our souls blossom."*

~ Marcel Proust

Literally, philanthropy also makes our gardens grow. Many families and friends of McLean have been coming forward to help make the courtyard the beautiful gathering place it is becoming. Throughout the next two years improvements and additions will continue to be made to this living area for everyone to enjoy.

For more information on the courtyard or to discuss giving opportunities please contact me at 860.658.3702, [Vickie.Dirienzo@McLeanCare.org](mailto:Vickie.Dirienzo@McLeanCare.org).

***Vickie Dirienzo, CFRE, McLean Development Officer 860-658-3702***
