

Curriculum Workshops

October 27–28, 2017

The Nearly Childless Church

Malinda Spencer

Associate for Curricula Training and Promotion

Churches with very few children have difficulty changing that reality, having settled into patterns which perpetuate a nearly childless church. We will look at today's family, and instead of barriers, we'll see opportunities for ministry. This workshop will feature children's curriculum from pcusastore.com.

Spanglish: Doing Ministry in Bilingual Settings

Marissa Galván Valle

Associate for Resources and Relationships with Hispanic/Latino Constituencies

An introduction to Spanish language resources and resources that could be used in bilingual ministry. This workshop will feature Spanish and English language resources from pcusastore.com.

We invite you to visit our display table
during the Saturday presbytery meeting.
