

## Will you join us!

Multi-level Educational Youth Outreach ([MEYO](#)), a nonprofit entity, is a ministry under the umbrella of Divine Redeemer Presbyterian Church, San Antonio. MEYO is an integrated outreach to the at-risk neighborhood children and youth in the inner-west side of San Antonio. Our programs include PEACE PALs, House of Teens, and the Rivera/Martinez Scholarship Fund. We are excited to announce that we are entering a new phase of our development: focusing primarily on the faith community, developing a new logo, securing an Advisory Board, and expanding our visibility.

**Northwood Presbyterian Church** has supported us in the past. **Thank you!** Now, we would love to have your members receive monthly updates about our vital work in this city we all love. If you prefer not to, you can unsubscribe below. Either way, please keep us in your prayers, and we will pray for you. We are better together!
