

The presentational method for this activity will be Case Presentaiton with Learner Participation and Lecture with Q&A. This live activity is geared towards Primary Care Physicians, Neurologists, other Medical Providers, Athletic Trainers, Coaches, and Neuropsychologists. Members of the general public are also invited and encouraged to attend. This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

Desired Outcomes

At the end of the activity, participants should be able to:

1. Recognize concussion early within athlete populations and understand its pathophysiology
2. Identify the most recent health and safety policies being promoted for athletes who are in competitive sports
3. Apply the most up-to-date clinical management strategies for repetitive concussions
4. Provide patient and public education regarding concussion incidence, signs/symptoms, and best practice for medical management
5. Recognize and treat the symptoms of post-concussion syndrome

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Institute for Medial Quality/California Medical Association (IMQ/CMA) through the joint providership of CME Consultants and the Sports Concussion Institute. CME Consultants is accredited by the IMQ/CMA to provide continuing medical education for physicians.

CME Consultants designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In accordance with the Americans with Disability Act (ADA), please contact the Sports Concussion Institute at info@concussiontreatment.com or 310-642-9595 should you require special assistance.
