

Saint Mary Magdalene NON - PERISHABLE FOOD DRIVE Sunday 2/26 - Sunday 3/12

HOPE provides emergency street outreach for the homeless in Longmont and offers supportive follow-through services. HOPE strives to eliminate barriers of access which keep homeless individuals on the streets, and provides life-sustaining support to homeless individuals, who are at risk from living on the streets of Longmont. We provide basic needs support such as food, water, clothing, and blankets or sleeping bags, and referrals to appropriate social service agencies for follow-up or more comprehensive care. The issues defining and impacting homelessness are complex and often misunderstood. Educating the community on problems and barriers related to services is central to HOPE's mission and outreach. As ambassador to the greater community, HOPE strives to inform the perception of homelessness in Longmont. Minimally staffed, HOPE relies heavily on volunteer support.

Help our Youth collect for HOPE.

On 3/12 we will assemble bags and the following Sunday 3/19 we will tour HOPE and bring our donation

PROTEINS | ex: can of vienna sausage or a tuna packet; anything that has a pop-top, or is easily opened without a can opener

FRUIT | ex: apple sauce or peaches cup

CHIPS or CRACKERS | ex: sun chips or wheat thins

DESSERTS | ex: pudding cup

EXTRA SNACKS | ex: soft granola or protein bars

BROWN PAPER LUNCH SACKS
