## Team D News

OCTOBER 6, 2017

### The Great Debate

On Tuesday, October 10th, students in Team D are going to have a debate. In one corner, Creationism, and in the other, Evolution. Students were asked to research and synthesize arguments for each and will be putting them to the test!

### ACSI Leadership Conference

Friday, October 27th will be an exciting day for Grade 8 as we venture out to Lexington for our annual leadership conference. This will be an incredible opportunity for students to learn about the new role they have as HCA's oldest and wisest students. We are leaving the school before other students are arriving! Please plan accordingly.

### Math, Science, and LA Help

We are starting our After-school Help schedules next week (10/10/17). On Tuesdays, Mr. Wadsworth will be available to grades 7&8 for Math and Science. Mr. Shea will be available to grades 5&6 for writing. On Thursdays, Mr. Shea will be available to grades 7&8 for LA and Writing. We are open to appointments on other days as well.
