Team C News

MAY 3, 2018

Greetings from Team C!

I hope you all are enjoying this beautiful weather that is finally here. We have been encouraging the students to make time after school to do something outside, hopefully you have been doing the same.

This morning the school participated in the National Day of Prayer as we prayed for our country and leaders. Please continue to pray for our leaders and neighbors that they would come to know Jesus.

Mrs. Cleveland and I would like to extend our thanks for how you all have blessed us this week for Teacher Appreciation; with cards, gifts, snacks, and encouragement.

We have also been blown away by the hard work and learning exhibited in the science fair projects. The students have clearly benefitted from the trifecta of student, parent, teacher partnership. Thanks to everyone for making this year's science fair a success.

Dates to Remember

Science Fair Night: Tonight 6:45-8:00 in the Holden Chapel community room.

Spring Concert and Art Show: Thursday May 17th.

Field Trip to Southwick's Zoo: Friday May 18th (please let us know if you would like to chaperone).
