Team A News

MARCH 29, 2018

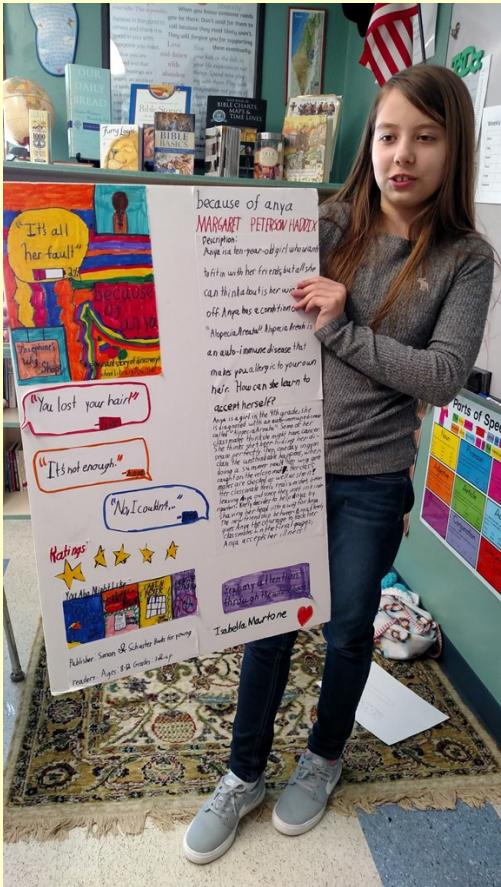

GREETINGS FROM SOUTH AFRICA AND ETHIOPIA! These last two weeks in Team B have been filled with exploration of our two African countries that we have been studying! I have heard comments like “This is so awesome, I want to go to Africa!” “I love learning about how African people live.” Not to mention the wonder of so many biomes existing in one country. The students have been enjoying the very hands-on curriculum in both cultures and science along with a variety of guest speakers.

STUDENTS HAVE BEEN CREATING AFRICAN SHIELDS AND SPEARS

which was a huge hit! They have also created Africa books, a village, as well as an African hut that takes up nearly the whole third grade! In addition to Africa, in fourth grade we also read the Passion of Christ (in play form) and practiced our “Supper for the Lord,” “The Cross,” and “Resurrection,” trivia. In art class the students created a gorgeous painting of Golgotha. The third grade made books of the Easter Story to share the word with others and created palm crosses to sell during Africa day.

continued ...

REGARDING AFRICA DAY WE ARE ASKING

each student in **third grade to bring** in one cut up papaya for fruit salad and one whole papaya to sell at the African marketplace we will be creating. **Fourth grade students are asked to bring** in two bunches of grapes (any color) one bunch needs to be washed and cut in half and in a ziplock for fruit salad. The other will be sold in the marketplace. We will be serving lunch that day, an African feast! If your child has substantial allergies, we are asking them to bring their own lunch. Fourth grade will be cooking chicken jolof rice which is gluten and egg free.

Students have been creating African shields and spears which was a huge hit! They have also created Africa books, a village, as well as an African hut that takes up nearly the whole third grade! In addition to Africa, in fourth grade we also read the Passion of Christ (in play form) and practiced our “Supper for the Lord,” “The

Cross,” and “Resurrection,” trivia. In art class the students created a gorgeous painting of Golgotha. The third grade made books of the Easter Story to share the word with others and created palm crosses to sell during Africa day.

Regarding Africa day we are asking each student in third grade to bring in one cut up papaya for fruit salad and one whole papaya to sell at the African marketplace we will be creating.
