## Team B News

NOVEMBER 16, 2017

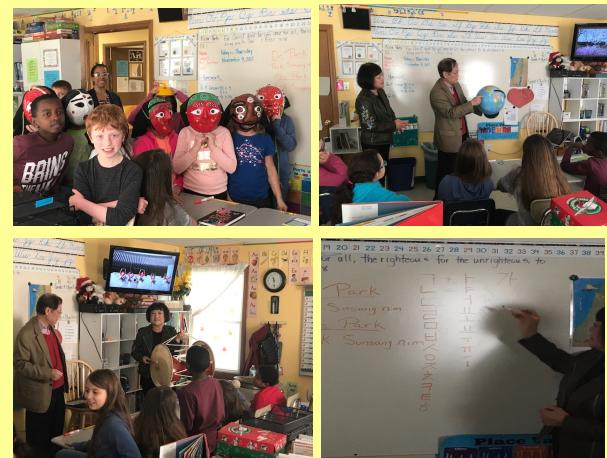

### Dictionary Competition

Students in grade three had a dictionary skill competition. Great teamwork third graders. A job well done!

### South Korean Visitors

Team B was blessed by Dr. Won Park and his wife last week. They extended our study of South Korea by teaching us about their language and culture using instruments, theater masks, Korean food and so much more! Thank you Jenn Jonay for this wonderful connection!

### Grade 4 made Chicken Pot Pie

It was so nice to meet with parents this week. It's always nice to connect and talk about how wonderful your kids are!

Team B will be coming together Tuesday, November 21st for a Thanksgiving Celebration. Mrs. Heenan and I will be sending our intended menu and ways each family can help.
