Edge to Edge Quilting

Love quilting? If you do, I am sure you may have difficulty free motion quilting the 3 layers after you have finished your piecing. Why pay someone else to do the quilting for you? We are going to learn to use a technique called Edge to Edge Quilting. It requires purchase of a book that you can order from **Norwalk Vac and Sewing** when you sign up for class.

Supplies needed;

- 45" pieced top,
- 47" square of cotton batting and

45" cotton fabric for the backing

- Spool of 50 wt. or 30 wt. cotton thread
- bobbin filled with the above cotton thread
- Quilting machine needle
- 1 yd. of woven interfacing (non-adhesive)
- black sewing thread with bobbin filled with same thread
- Edge to Edge Quilting Book

This embroidery class is open to owners of all type home embroidery machines.

Class date; Saturday, Sept. 16th, 10 am to 1 pm. Class cost \$15 for non NVS members, \$10 for members

A kit with fabrics, batting, needle, and interfacing available at class for \$45

All students are required to purchase book

Please call store to register in advance for class. When registering please indicate which machine you own and whether you will need the kit.
