

RECYCLING

LCSWMA does not provide your curbside recycling pick-up.

We do provide drop-off recycling centers, available 24-hours every day, at each of our three Lancaster County facility locations for glass, aluminum and steel cans, plastic bottles and newspapers.

Each municipality (city, township or borough) within Lancaster County is responsible for your curbside recycling. Contact your local municipal office and/or trash hauler for the following:

- Recycling bins (new or replacement)
- Complete list of materials you can recycle
- Municipal drop-off locations
- Pick-up days and times
- Other questions about recycling

Here are some helpful tips when preparing these materials for the bin:

GLASS:

Clear, green and brown glass bottles and jars should be thoroughly rinsed to remove any residue. Remove the lids and dispose in the trash. No need to remove the labels. Do NOT put light bulbs, dishes, glassware, window or automotive glass in the bin.

ALUMINUM & STEEL CANS:

All food and beverage cans made from aluminum or steel should be thoroughly rinsed to remove any residue. Do NOT put metal hangers, cooking pots and pans or other scrap metal like foil and pie plates in the bin.

PLASTIC BOTTLES:

This only applies to bottles, jars, jugs and anything else with a neck. Remove lids and rinse out any residue. Do NOT put plastic bags, toys or packaging in the bin.

NEWSPAPERS:

Place newspapers, magazines, catalogs and office paper directly in your recycling bin. Do NOT place the materials in plastic bags or out for collection when there is a chance of precipitation.

A NOTE ON PLASTIC BAGS:

Do NOT put any plastic bags in the recycling bin. Reuse the bags or ask your local grocer if they offer plastic bag recycling. To learn more visit www.abagslife.com.

CARDBOARD AND OTHER ITEMS:

Visit www.earth911.com for a list of locations that accept a wide-variety of other recyclable materials.
