

ASOA CONGRATULATES CPSS PARTICIPATING PRACTICES

Co-sponsored by ASOA and BSM Consulting, the Certified Patient Service Specialist® (CPSS) program establishes a national standard of excellence that recognizes and promotes the professionalism of nonclinical staff by providing certification and continuing education focused on increasing the quality of patient care. ASOA and BSM Consulting congratulate the following practices, which are using CPSS to offer a professional development pathway for all nonclinical employees, as well as to provide exciting new growth opportunities for experienced staff. **AE**

CERTIFIED *Patient* SERVICE SPECIALIST®

A *pathway* to success for your ophthalmic staff

What does CPSS® mean to your practice?

- Equips staff members to consistently provide positive patient experiences.
- Provides an affordable online development pathway for ophthalmic staff.
- Boosts employee motivation and retention through growth opportunities.
- Ensures practice excellence when every team member is professionally certified.

The affordable
**Certified Patient
Service Specialist®
(CPSS)** program
establishes a
recognized,
national standard
of excellence
for ophthalmic staff
through certification
and continuing
education.

To learn more contact BSM Consulting at 866.220.3184
or visit the CPSS® website at www.BSMCPSS.com.

CPSS® is a product of BSM Consulting in co-promotion with ASOA.
