#### Selection Process

- Company selections are made on an ongoing basis.
- Advisory Board members typically refer the project team to the CEO of a company of interest.
- The AGRI Tech Venture Forum project team then briefs the company of interest on the opportunity to present at the Forum and provides them with an application form.
- The company provides a verbal commitment of its interest to present and submits a completed application form, which must be submitted before the company can formally be selected.
- Presenting companies will then receive a formal offer letter from the AGRI Tech Venture Forum team.

#### Registration Costs

- \$1,095.00 CDN (Presenter)
- \$695.00 CDN (Each Additional Delegate)
- Once a company has received their formal offer letter, online registration and payment must be completed within one week in order to confirm acceptance.

#### Logistics

- The AGRI Tech Venture Forum is a showcase opportunity for exceptional ag tech companies - presenting companies need not to be actively fundraising in order to present.
- Detailed program, timings, and logistical details will be forwarded upon company selection.
- Company presentations are to be a maximum of 10 minutes.
- PowerPoint slides must be submitted in advance.
- Presenting Companies have the opportunity to set up an exhibitor booth at the Forum.
