11:00-12:00

### Engaging the Corporate Strategics

Corporate Venture Capital (CVC) is playing an ever increasing role in the venture funding ecosystem. Companies are turning to CVC as an alternative to the traditional venture funding model, and internally, CVC is stepping in to ensure that there is a viable, healthy emerging ag tech ecosystem to feed their corporate parents' long term needs. Listen in as our panel of key players discuss the current opportunity landscape and how to successfully engage with the broader CVC community.
