## Alro Products International, LLC

December 2017

Dear Valued and Loyal Customers,

Please be advised that due to recent increases in cost of raw material, manufacturing and freight, as well as costs related to environmental concerns, we are forced to adjust our pricing for the following product lines:

Product Line	Approx. Increase	Effective Date
Cast Iron Fittings	10%	01/08/18
Malleable Iron Fittings	10%	01/08/18
Steel Couplings	10%	01/08/18
Steel Nipples	10%	01/08/18

Updated price sheets will be available shortly on our website. Please contact your Alro sales rep or call us at 718-566-1000 for current multipliers.

Our continued dedication to providing you with top-notch, personal service and competitively priced products remains unchanged.

We greatly appreciate your loyalty!

Sincerely,

Alro Products Sales Team
