

The Georgia Society of Ophthalmology &
The Medical Association of Georgia Physicians and Surgeons

NEED YOUR HELP NOW. ASK GOVERNOR DEAL TO VETO SB 153

IT'S ABOUT PATIENT SAFETY

If SB 153 is signed into law, optometrists (who are NOT medical doctors) will be able to inject powerful drugs into the eyelids and around the eyes of Georgia's eye patients.

THE GOVERNOR NEEDS TO HEAR FROM EYE PATIENTS LIKE YOU.

Call or write to Governor Deal and ask him to say no to optometrists injecting needles around the eye and to **VETO SB 153.**

Mail letters to:

**Governor Nathan Deal
206 Washington Street SW
111 State Capitol
Atlanta, Georgia 30334**

Or call

(404) 656 1776

THE VETO DEADLINE IS **MAY 9th.** CONTACT THE GOVERNOR TODAY.
