

Dear _____,

Would you like to have VIP reserved parking & breakfast with me next year during Grandparents & Special Friends Day at my school, Stonewall Jackson Elementary? I would really enjoy that and it's easy to make happen.

I'm writing to ask if you would consider donating \$25 to Stonewall's Race for the Stars" auction, sponsored by the PTA, in exchange for a raffle ticket for one of two special parking spots and the breakfast I mentioned. This is my schools biggest fundraiser which pays for field trips, curriculum, music, technology, classroom supplies, and other critical school functions that DISD cannot fund. Our family and teachers love what the PTA has done to make the school better in concrete ways - many of which I'm already enjoying. We also love what it has done to build a welcoming, inclusive, supportive community that is rooting for this school and taking great pride in it.

I'm hoping you will consider giving too! The best way is by check because then we don't pay merchant fees. Checks can be made payable to and dropped off or mailed to:

And don't forget, the PTA is a 501(c)(3) and donations are tax deductible.

Thanks for giving this your consideration and be sure to complete the raffle entry form below and include with your donation by Friday, April 14th.

Much love,

Grandparents & Special Friends VIP RESERVED PARKING/BREAKFAST RAFFLE
