- Bus and/or buses must have space availability for the student.
- Student riders must utilize existing buses, routes, stops, and schedules only.

Approval Process:

- Waiver applications are reviewed and approved/disapproved by a Transportation Committee based on space availability and appropriate criteria.
- For waivers submitted during the summer through the first four (4) full weeks of school, please see the table below:

	Northwest St Johns County	Northeast St Johns County	Central St Johns County	South St Johns County
Waiver Decision Timeline	By third (3rd) full week of school	By third (3rd) full week of school	By one (1) week prior to school start	By one (1) week prior to school start
Effective Date for Approved Waivers	By fourth (4th) full week of school	By fourth (4 th) full week of school	First (1 st) day of school	First (1 st) day of school

- Note: Space availability on school buses is lowest in Northwest and Northeast St Johns County. Transportation requires the first month of school to determine actual ridership by eligible student riders and redistribute student loads across buses. Accordingly, Transportation will approve/disapprove waivers and allow students with approved waivers to ride in accordance with the timeline outlined in the table above.
- For waivers submitted during the school year (after the first four (4) weeks of school), Transportation will review and approve/disapprove waivers within five (5) business days. Approved waivers are effective upon receipt by applicant.

Contingencies:

- Parents/guardians are encouraged to make alternative transportation arrangements until when/if waiver applications are approved by Transportation.
- Parents/guardians are encouraged to develop contingency plans for transportation services in the event waiver applications are not approved by Transportation.
