Greetings,

The Everglades (FL) Alumni Chapter of Central State University is proud to present its

13th Annual Weekend of Tropical Elegance
February 17-19, 2017. The Rosen Plaza Hotel in Orlando, Florida serves as our host hotel.

The highlights of this weekend include golf and the Dr. James W. Bridges Scholarship Dinner Dance. Time has also been allotted on Saturday morning (February 18, 2017) for campus officials to meet with youth who may be interested in attending Central State University; of course, parents are included in this meeting.

Other activities for the weekend include a continuous hospitality suite where you can relax, socialize, network, play cards, board games and partake of food and liquid refreshments. Disney and Orlando are synonymous, so plan time at the end of your weekend to visit theme parks and other attractions.

Join us for a warm fun-filled weekend that is also designed to provide scholarship assistance to Florida students attending Central State University. This is truly **A PARTY WITH A PURPOSE.**

Rooms are available at a special group rate of \$132.00 until January 27.

With Warm Regards,

Yvette
