

**MILTON HIGH SCHOOL**  
**SCHOOL GOVERNANCE COUNCIL**  
**2 YEAR PARENT CANDIDATE**

# BARBARA HALBERT

I believe parent engagement is critical to the success of our schools. I have demonstrated this as an active volunteer for many years. I have a high school senior and an 8th grader who both have been in Fulton County Schools since kindergarten. I am finishing my term as Vice-Chair of the Northwestern Governance Council and also serve on the Council's Budget & Outreach Committees. I am currently the Co-President of the Northwestern PTSA and have also held this office on the elementary level. I was an active member of elementary and middle school Foundation Boards, advocating for the needs of our students and teachers. I am proud of my ability to facilitate communication and consensus among parents, administrators and community members. I was honored and humbled to be named the Northwestern Volunteer of the Year for 2015/2016. I served in the community for several years as a team manager and tournament coordinator for the UFA, GA Rush & Concorde Fire soccer clubs. I was employed as an Operations Manager for Prudential Healthcare for 14 years. In both my professional career and volunteer positions, I have created and managed budgets, designed and implemented policies and procedures and created long and short term strategic plans. I believe I would be a valuable resource to the Milton School Governance Council. If elected, I will be an active and dedicated Council member.
