

# Support Mosaics of Hope

We'd like to tell you about a unique way that you can support United Way and your community this spring.

We have been selected to be one of three participating non-profits for Parkland Mall's "Mosaics of Hope" fundraiser for 2017. Each charity provides a photograph that is cut into mosaic pieces and brought to life by shoppers who purchase tiles for \$5 and place them on a map of the photo. Parkland Mall will match dollar for dollar. The potential total revenue of \$7,500.

We will be giving the completed Mosaic to the partner agency that serves these smiling faces – the Rocky Youth Development Society in Clearwater.

## Two Ways You Can Help

### 1. Buy Tiles for the Mosaic

Tiles will be available for sale for all three charity mosaics at the Parkland Mall for three full weeks: April 17 to May 7. Specifically, United Way's week to sell tiles is from May 1-7.

Visit the mall between April 17 and May 7 and buy tiles to help complete our Mosaic. If you can't make it, [DONATE HERE](#)
