

Welcome Linda Wilson, 2017 Campaign Co-Chair for United Way Central Alberta

We are delighted to welcome Linda Wilson as volunteer Campaign Co-Chair for 2017.

Linda grew up in Sylvan Lake with a strong passion and commitment for her community, which she inherited from her parents.

Linda has spent time – both as a volunteer and a professional, supporting health services, social services, education, sports and her church, but always with a flair for fun! She has served as a volunteer board member, chair, or committee member for numerous organizations (including United Way) in both Red Deer and Sylvan Lake.

Linda currently runs her own company, CorQuest Inc., a leadership and professional development organization. She is also a dedicated wife, mother of one, and friend to many.

Welcome aboard Linda! We are so glad you are helping to rally one of our volunteer leadership teams – the Campaign Cabinet.
