### **Ways to Contribute to Irons Homestead Financially**

- Make a donation to the Campership Fund making it possible for low income children to attend camp. Any amount is welcomed.
- Sponsor a camper who is homeless. \$200/week Forest Day Camp; \$500/week Overnight Camp; \$300/week Mini Overnight Camp.
- Make a donation to the Irons Homestead General Fund to support daily operations. Any amount is welcomed.
- Underwrite the return of full-summer camping for children. Any amount.
- Sponsor a program leader. This helps us bring in experts for each of our camp sessions. \$800/week.
- Make a donation for the purchase of the property at 648 Snake Hill Road. This would enable us to fulfill the decades-old dream of having a working farm for campers to experience. Asking price \$650,000.
- Sponsor a solar panel. We are installing solar panels on the Lodge at \$2500 /panel which includes the cost of re-roofing the building.
- Make a donation for the purchase of new picnic tables. \$350 each.
- Make a donation to cover the cost of the Cabin Tents. \$6000/tent includes the entire cost of tent, platform and beds.
- Make a donation to cover the cost of a Chrome book for the nurse. \$250.
- Make a donation toward the purchase of staff radios. \$2000
- Make a donation to cover the cost of an architect drawing plans for a new barn/dining hall/kitchen/office.
- Make a donation to cover the cost of an engineer designing a new septic system.
- Make a donation for the purchase of a backboard for the waterfront. \$200
- Make a donation for the purchase of a defibrillator. \$1000
- Make a donation to cover the cost of the new Arts Center. \$50,000

#### **Our Mission**

is to make a positive impact on the world by honoring each person's integrity and worth, while providing a nurturing, safe, and challenging environment for them to grow socially and spiritually. We use gracious & generous hospitality and purposeful community to share God's love and grace.

#### **Vision**

Refreshed and challenged, campers will re-engage daily life with a deeper understanding of the interdependence and value of all creation, making changes to lighten their foot print on earth and to live in harmony with all.
