Do you have expired flares?

You can't light them, throw them in the water or in your household garbage

Barrie Power & Sail Squadron and **Lefroy Harbour Resorts** are hosting a

Safety Equipment Education and Flare Disposal Day

Learn about required safety equipment, the care and maintenance of that equipment and how to safely and effectively use flares when needed.

DATE: Saturday, 17 June 2017

PLACE: Lefroy Harbour Marina, 727 Harbour St, Lefroy, ON L0L 1W0

TIME: 0900 until 1600

In accordance with Transport Canada requirements, flares are approved for four years from the date of manufacture. Typically, this means that you need to replace your flares every third or fourth boating season and dispose of the old ones. If they have expired or will expire during the boating season, you must replace them... it's the law!

For more info, call **Hans Etzel** at **705-722-0060** or email us at training@barriecps.org, and Lefroy Harbour Marina at **705-456-2120** or info@lefroyharbour.com.
