Interfaith Impact of NYS is the Unitarian Universalist State Advocacy Network for New York.

The IINYS mission is to partner with UU and likeminded Protestant and Reform Jewish congregations and clergy to bring progressive moral values to the table in the Legislature and Executive Chamber.

During the annual IINYS advocacy day in the State Capitol on Monday, May 1st, you can help advocate for **green energy**. Tell legislators to pass the HALT Solitary Confinement Act. Finally, we'll educate representatives and legislative staff on the access to quality health care for all New Yorkers..

Doors open at 9:30, program starts at 10:00. After an introduction to the issues and brief remarks by issue experts, we will break up into small groups, each facilitated by an experienced advocate, and meet with elected representatives, selected committee chairs, committee staff and program and counsel staff. You will get more info by email, and when you arrive you will get a final schedule and folder of materials. Registration is free, but please let us know you're coming so we can organize teams. E-mail questions to info@interfaithimpactnys.org.
