National Volunteer Week

April 23-29, 2017

We THANK all our volunteer BIGS & celebrate
your service as mentors!

There's always room for more volunteers...WHY NOT YOU?

National Volunteer Week is an opportunity to celebrate the impact of volunteering on our communities, and to demonstrate that service unites. Through service, we come together to tackle tough challenges, create change, and build stronger, more vibrant communities.

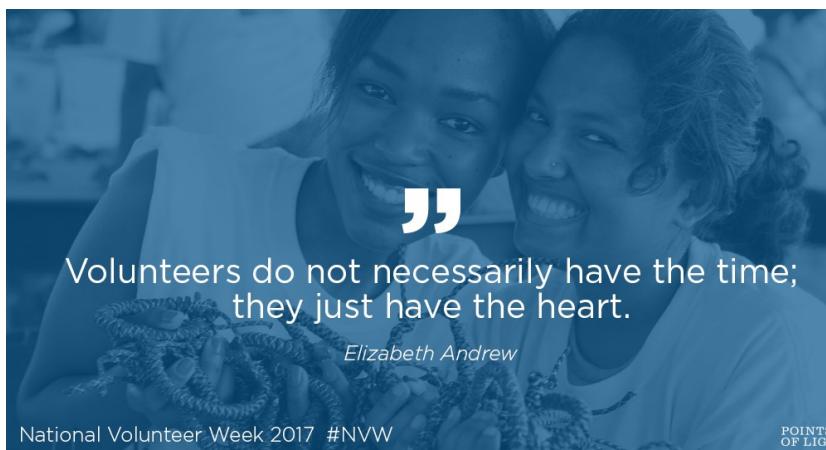

Volunteer mentors with Big Brothers Big Sisters not only positively change children's lives but they also impact our communities daily. We know there are many ways to volunteer your time and talents, but we'd like you to consider volunteering as a mentor.

Mentor individually, as a couple or family! It only takes a commitment of 2x a month in our community based & Hartford Club Mentor programs or 1x a week in our school based program. You can not only change a child's life, but your own!
