August 6, 2018

Present:

Laura Phillips is serving on the CC(DOC) General Assembly Committee. She noted the change in the reported attendance

**Theme: KC DISCIPLES ASSEMBLE: RECLAIMING REVIVAL**

**Date: October 6, 2018**

**Location: Community Christian Church, 4601 Main Street, Kansas City, MO**

**Participation Goal: Minimum of 200 KC Disciples**

**Budget: \$8500**

**Draft Schedule:**

10:00 am Church opens for exhibits, fellowship

11:00 am *Church opens for exhibits, fellowship and a simple sandwich lunch option that Deb Morche would arrange with another provider at a cost of \$5/pp pre-registered. Thought was that if*

*people come, then go to lunch on the Plaza, several are not likely to come back for the activities at 1:00 pm or may return late. Providing a simple lunch does not preclude people choosing to dine on the Plaza but it was thought that one hour for lunch was not enough time given the heavy pedestrian traffic on a Saturday and the lack of fast-food options.*

Those who showed up at 11 am were Bill Rose-Heim, Mary Lou Kegler, Deb Morche, Suzi Goldt, Gerry Jones and Travis Smith-McKee.

Bill opened at 11 with prayer. He reviewed the work that was done during the 9 am meeting on Region Assembly planning. (see notes above). The registration form will be developed today for review. The 11 am group made suggestions regarding the opening: Open at 11 for displays. Provide a sandwich, chips and water for \$5 for those who preregister. Don't suggest that people go to the Plaza for lunch because we might lose people. Deb Morche agreed to coordinate the food prep.

Gerry Jones said the Bylaws committee is meeting on August 21 to hash out first working draft. They have met once prior to this.

James Vertreese said they had received 4 bids to provide financial services.

The next meeting will be **August 27, 2018 at 9 am.**
