## Action Items

### **Motion from the Floor: Approve Jeff Hon as Chairperson of the Commission on Stewardship and Development**

This Commission, called for in our Revised ByLaws, compliments the work of the Budget and Finance Committee by focusing proactively on opportunities to promote stewardship as a spiritual discipline and to organize development efforts such as creating a Gift Acceptance Policy, promoting better donor relations and engaging in best practices for planned giving and other fundraising initiatives. This work is to serve as a model for congregations to do a better job of matching missions that matter with donor's who want to share and bless them with gifts over and above regular congregational support.

### **Motion from the Floor: Approve the commitment of the CC(DOC) of Greater Kansas City to encourage Disciples to participate in the Poor Peoples Campaign**
