A WORD ABOUT LENT

The forty days of Lent are a special time of renewal for Christians, who by embracing the cross ultimately find Easter glory.

Traditionally Lent has been a time to examine the issues of life in the light of the cross, asking what difference have we allowed Christ to make in our hearts and daily schedules? Many see Lent as the occasion to pull aside from the hurry and hassle of life, to sort out the important, the priorities, the eternal. By doing so, the minor things have a way of being put back into their proper place. The Lenten journey brings us into the shadows of the cross, allowing God to bathe us in his love.

As part of our journey the following worship and fellowship schedule has been arranged. We invite you to join us in our worship and to bring your friends.

*In His Name,
Pastor Kim*
