

To members and friends of Our Savior's,

In concert with your church council and indeed all of church leadership we thank God for you. Your service to our Lord through Our Savior's and the financial support you provide are much appreciated and gratefully acknowledged.

A little over a year ago a group of us delved into the numerous ways members and friends of Our Savior's carry out our ministry. We discovered that the vast majority of us are involved in multiple ministries, using our gifts and talents in a myriad of ways. Additionally, the vast majority of us also financially support the work we do.

And you and your gifts make a difference. We've received many thanks from people who are fed through our Food Pantry, from those using our facilities, and from those who receive clothing and various miscellaneous offerings. Many of the items that we're not able to pass on through the walls of Our Savior's are then given to House of Zion or Good Samaritan ministries for their distribution. The above is only a sampling of the difference you make. Suffice to say, you and your financial gifts are making an impact on behalf of our Lord. All of us in church leadership (council, staff, and key volunteers) join in saying thanks. Thanks for you and your gifts.

As your pastor my heart is filled with gratitude as I look back on 2017. And as I look ahead I'll do so with joy. Realizing that as we've been blessed, our task then is to bless others through our financial gifts, our service, our time – indeed our very selves. Thank you!

In Him,

Pastor Kim
