

For Pastors, Youth Directors, Church Administrative Assistants

Dear Youth Director:

The Lay Servant Ministry would like to walk alongside you and offer our help as you work with the youth of your church. We would like to invite you to send/bring members of your youth group to a **Lay Servant Training** event specifically for youth.

The day is geared towards equipping and empowering our youth Lay Servants providing them the opportunity to discover how and where they are being called to serve. To help them to grow as disciples of Jesus Christ who can then go and make other disciples.

Through the discipleship paths of H.O.P. E. (*Hospitality, Offer Christ, Purpose, and Engagement*) participants should leave with an understanding of the many ways they can serve within their church and the community.

We pray that they would leave with an understanding of the many ways they can serve within their church and the community by continuing to being followers of Jesus Christ putting their faith into action; helping to transform the surrounding community, and offering hospitality in the name of our Lord.

The day will be spent in fellowship, worship, working as a large group and within a small group structure.

The event will be held on:

Date: Saturday, September 23, 2017

Cost: \$15.00 (*which would include meals and all materials*)

Venue: Montverde United Methodist Church -

17015 Porter Avenue, Montverde FL 34756

We are praying for our youth and looking forward to being with them during this training event.
