Bazaar and Baby Stockings at United Methodist Women, Clermont

The Annual Holiday Bazaar was held Sat., November 5th in the Social Hall at FUMC, Clermont for the fourth consecutive year. It is one of the two major mission fundraisers of United Methodist Women. Several months prior to the event, under the leadership of Pat Hering and Carolyn Blankenship, shoppes are planned and shopkeeper volunteers step forward. As a result, months before the bazaar many members are busy working on items to be sold such as jellies, gifts-in-a jar, table runners, placemats, Fall and Christmas wreaths/decorations. The church congregation is asked for donations of gently used purses and jewelry. This year's shoppes were: The Country Store, Sew Pretty Shoppe, Fall Shoppe, Christmas Shoppe, Unique Boutique, Namely Yours and Opportunity Drawing. A new addition this year was the Sew Pretty Shoppe which also sold tickets for several months prior to the bazaar for the "opportunity" to take home a queen size Christmas quilt coverlet made by Pat Hackenberg. The monograming of aprons was available in "Namely Yours," after a year's absence. Santa paid us a visit and Santa's Elf was available to take a photo shot of you and Santa with your cell phone! There were goodies in the kitchen when volunteers could take a break from the holiday shoppers. The following donations were made from bazaar proceeds: \$1,000 to FUMC, Miracle on 7th Street event for parents in the community who need a helping hand with Christmas gifts for their children, \$1,000 to Food For South Lake Kids (backpack program to provide food over the weekend), and \$2,000 to Boys and Girls Club of South Lake. The photo array show setting up, volunteers right before the doors open, and bazaar day activities. Whether volunteering or coming to browse and/or shop everyone had a jolly time! We give God the glory for a very successful bazaar!

Their purpose is to sew, knit and crochet for as many people who need them. They spend their mornings on the first Thursday of each month sorting and organizing cotton material, fleece, yarn and flannel.

They also crochet and knit prayer shawls, baby blankets and cancer caps. In their spare time at home they also sew cancer caps and flannel baby blankets. The group's latest project is crocheting "plarn" (plastic shopping bag strips) into moisture-barrier mats for the homeless. The by-product of their meetings is lots of fellowship with each other!
